

# ◇ 20mm Square Isolator ◇

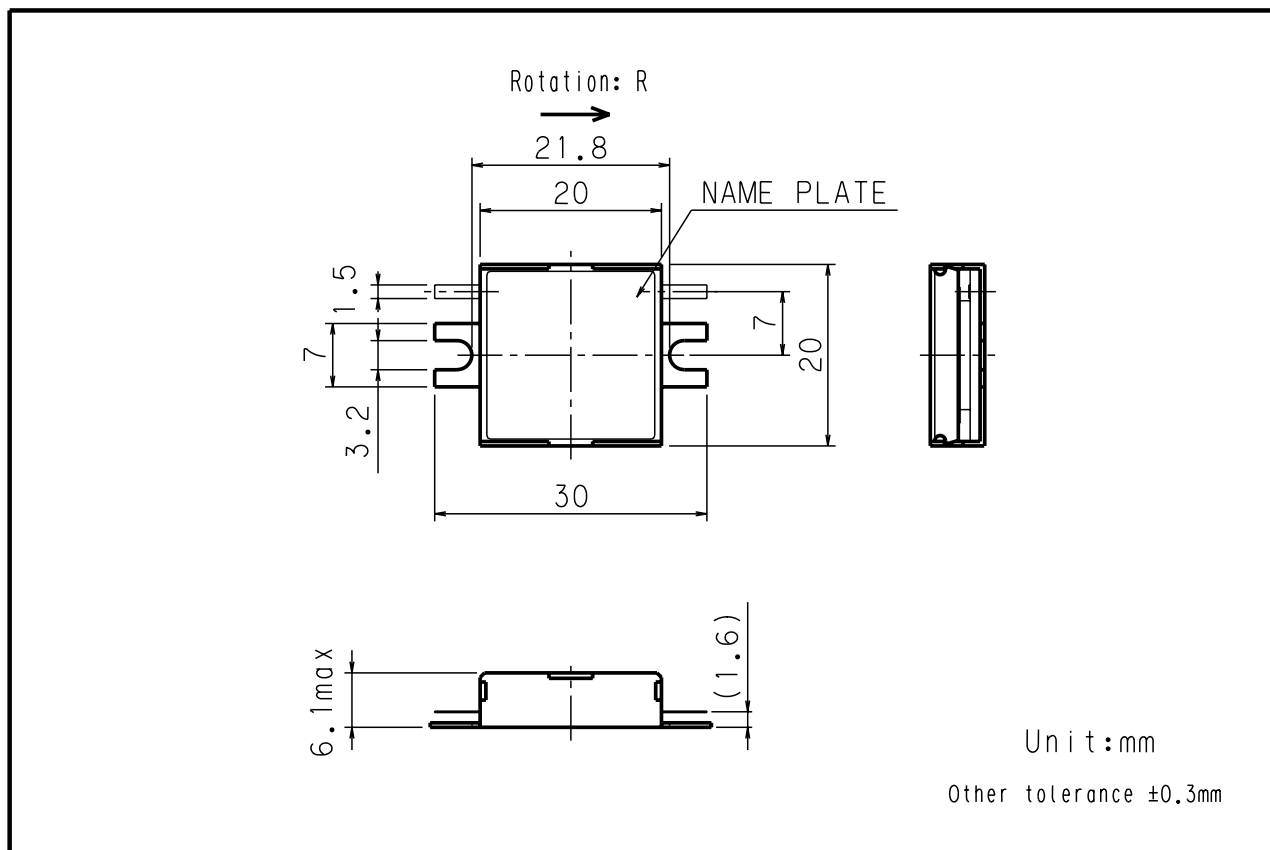

Part No. MSI-20R2.140G

CAT-265

## ● Specifications

|                  |                   |
|------------------|-------------------|
| Frequency        | 2110MHz ~ 2170MHz |
| Band Width       | Full              |
| Insertion Loss   | 0.4dB max         |
| Isolation        | 20dB min          |
| V.S.W.R.         | 1.20 max          |
| Handling Power   | 30W max           |
| Reflection Power | 10W max           |
| Operating Temp.  | -20 ~ +80 °C      |
| Impedance        | 50 Ω              |

## ● Dimensions

Hitachi Metals, Ltd.
